

POWERMIND™ Presentations

Michael Monroe Kiefer M.S.

The POWERMIND™ Project was instituted in 1989 by Michael Monroe Kiefer M.S., a graduate of Texas A&M in Genetic Engineering. It is an ongoing research program on human potential. Research results are shared with the public in the form of books, speeches, and workshops.

**Author of *The POWERMIND™ System,*
*Power of Will Book***

**Developer and Presenter of the
“How to Earn Income with YOUR Hobbies,
Talents and Skills” Workshop**

Keynote Speech Suggestions:

Leading the Inspired Life – A highly motivational keynote address illustrating Michael’s personal application of a 7 point goal achievement formula.

Personality Styles Mastery – An entertaining, yet educational keynote focusing on effective communications methods. Unique stories gleaned from Michael’s extensive research highlight this presentation.

Mind Over Circumstances – Taken straight from Michael’s inspirational bestselling book *The POWERMIND™ System, Power of Will*. Michael illustrates specific techniques to control your destiny regardless of circumstances.

Workshop/Breakout Suggestions:
